

# EXPRESS

---

## TAKEAWAY HOMEWORK

---

Authentic science, independent learning and reflective cuisine

Welcome to Mrs. Kelley's Express Takeaway homework menu, delivering fresh, hot and delicious homework tasks straight to your doorstep!

### How to order

---

Choose your homework task from the menu. The chilli rating indicates the difficulty of each task, ranging from 'mild' to 'spicy' to 'hot'. You can only try each dish once and you must order a different course each time! Enjoy your food!

Based on an idea from @teachertoolkit and adapted by @MrStoneEnglish

## Scientific Starters

---

A spicy selection of literacy-focused starters to whet your appetite!

### Tweet and Sour .....

Write a tweet (no more than 140 characters) explaining a Science skill we have covered this year.

### Word Ton Soup .....

Choose 3 key vocabulary words and explain how they relate to an experiment we have done this term

### Mixed Science Platter .....

Watch a science TV program and summarize the content

### Mini Spring Rules .....

Create a poster explaining important safety rules for one of the labs you have done this quarter

### Speech Cocktail .....

Find a scientific news item and summarize it in your own words

### Spicy Baked Numbers .....

Choose a Math topic and show how it can be used in science

### Yu Teach Tu .....

Choose a Science skill we have studied this year and design an activity for the class to complete.

### Aromatic Audit .....

Complete an audit of your writing skills in science, using your IAN for examples.

### Photo Phuey .....

Take a photograph of a living organism and summarize its life and habitat

### Spicy Song Sauce .....

Write a song or a poem inspired by any topic you have covered in Science this year.

### Foo Yung Facebook .....

Create a Facebook Profile Page for any famous scientist.

### Assorted Quiz Questions .....

Create a ten question quiz for your classmates based on this week's Science lessons.

### Photo Fritter .....

Create a iMovie trailer to illustrate a topic in Science this term.

### Cross Curricular Curry .....

Choose a topic from another subject and show how you can link it to science, do not use Math.

### Crispy Crossword .....

Make a crossword using only key terms from Science this year. Don't forget to write detailed clues!

### Creative Cracker .....

Produce a piece of artwork, or a 3D model, to demonstrate your understanding of our current topic in Science

### King Plan Platter .....

Plan the extension to today's lesson, using the 'lesson plan' to structure your ideas. Collect a template from Mrs Kelley to complete this task!

### Spare Ribs .....

Create a board game based on a topic from this term. It should test skills and knowledge.
